THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA

DOCKET NO. 90-421-T - ORDER NO. 91-663

AUGUST 2, 1991

IN RE:	Application of Robert E. Brizendine,	)	ORDER
	Trustee for Brown Transport Corporation	)	GRANTING
	to Transfer Class E Certificate No. 2540	)	EXTENSION
	to Skyline Transportation, Inc.	)	OF TIME

On July 29, 1991, Skyline Transportation, Inc. (Skyline) requested an extension of time until August 27, 1991, to comply with the Commission's directives in Order No. 91-126, dated February 21, 1991, which granted certain common carrier authority. Skyline stated through its request that although the contract relating to the transfer of Certificate No. 2540, from Brown Transport Corporation to Skyline Transportation, Inc. had been negotiated and settled upon, the trustee in bankruptcy is required to provide twenty (20) days notice to a list of creditors prior to an approval hearing before the Bankruptcy Court. The earliest date that such a hearing before the Bankruptcy Court for final approval of said agreement could be set is August 13, 1991. Further, said approval must then be processed through various offices and circulated to the offices of Skyline Transportation, Inc. Skyline therefore requests an extension until August 27, 1991, to file the executed transfer documents with the Commission.

This Commission believes that Skyline has shown good cause
